### *Property Tax Information*

To obtain information about property taxes, you must call the Tax Collector or Treasurer of the town where the property is located.

In Massachusetts, neither the county nor the Registry of Deeds has any property tax information.

The following pages contain an alphabetical listing of all of the cities and towns in Massachusetts, (what we think is) the telephone number to call for information about property taxes, and the name of the Registry of Deeds in which records for that town are located.
