I need a copy of my Plot Plan

Plot plans are not recorded at the Registry of Deeds. If your lawyer did not give you a copy of your plot plan when you bought the house, you might have to hire a surveyor to create a new one.

A plot plan is a sketch that shows the boundaries of the lot plus the footprint of any buildings on the lot. Plot plans are not recorded

A subdivision plan shows the boundaries of all the lots in the vicinity but does not show any buildings. Subdivision plans are recorded
